

July 2011

Reference for Nkileng Jacobeth Motsumi - ID No 7302280549083

Due to us relocating to Cape Town we can no longer keep Jacobeth in our employ and have to say goodbye to her at the end of July 2011. Jacobeth has been working for us for nearly two years now and she is an excellent, honest worker and has really become a part of our family.

She is a very reliable hard worker and keeps our house in top form, she also looks after my baby who is now a year old and has done since he was 5 months old. She works independently and also has no problem in following instruction when needed.

Jacobeth speaks excellent English and from time to time will answer the phone and take messages for us as we run a business from home.

We would really like to see Jacobeth find another job where she will be as happy as she was with us.
