The rich marine life of Plettenberg Bay makes for excellent diving and snorkelling. MARINE SAFARIS & BOAT CRUISES

Both Ocean Safaris and Ocean Blue offer marine safaris from Central Beach - three to four times a day, seven days a week (depending on sea and weather conditions).

Minke Whales, orca (killer whales) and Bryde's whales can be seen throughout the year - as can dolphins, Cape fur seals and many other marine mammals. The migratory whales appear during 'Whale Season' and between June and November you'll be sure to see Southern Right and Humpback whales when they come to the shallow, protected waters of Plettenberg Bay to mate and calve (Central Beach boat launch site: 2 km / 2 minutes from Plett Central).

(Keurbooms River Jetty: 5 km / 7 minutes from Plett Central).
